PHOTOGRAPHY PRICE LIST current August 2010

PHOTOGRAPHIC SESSION FEES

Standard portrait session – one location of your choice (usually between one and two hours) includes proofs	\$150
Premium portrait session – two locations of your choice (usually between two and three hours) includes proofs	\$250

PROOFS

Your proofs will be placed on a website for you to view. A 'photographer's selection' will be colour corrected and enhanced including blemishes removed if required, to demonstrate what can be done with your images. From these you will be able to choose your selection for printing and any digital effects/adjustments (Black + White; Desaturated; Saturated; Cropped; etc) will be made according to your specifications.

PRINTS

At Pixel Tree we have invested in an advanced photographic printer using the latest in UltraChrome ink technology to produce the highest quality prints possible. Our archival papers are also the best available. We are currently only printing the following sizes. Please let us know if you would like a larger size printed of any of your photos and we can arrange for this to be done. This includes prints on framed canvas.

ALBUMS

If you're finding it difficult to pick your favourite photos, our albums will allow you to choose a wider range of prints, particularly when you prefer the 'storyboard' look with a few images from one series. Our albums include all prints and placement in the album. Pixel Tree supplies the highest quality, beautifully designed albums from **Corban & Blair**, and all albums feature archival paper. We also use the best known methods to secure your prints, and to ensure your memories will not fade with time. Albums usually cost between **\$75** and **\$150**. You can view all the albums available by going to <http://www.corbanblair.com.au>

Album description	Print size	No. of Prints	Cost
Corban & Blair album as per catalogue	6"x4" only	Max 25*	\$475 + album cost
Corban & Blair album as per catalogue	6"x4"/5"x7" combo	Max 30*	\$525 + album cost

*You can add more photos to your album according to the print price list above

DIGITAL NEGATIVE CDs

We can provide you with a CD of digital negatives of the entire shoot for \$50, but please note that these photos are RAW images (JPEG format) and will not contain the enhanced images as we can only guarantee the quality of the photos printed from our own lab. You will be able to print any size from these negatives.
